CURRICULUM FAQ's

What is KidSpring curriculum?

KidSpring is the children's ministry of NewSpring Church. KidSpring Curriculum consists of large group videos, small group lessons, and special needs activities that teach biblical truths in a fun way. The mission of KidSpring curriculum is to point kids everywhere toward an everyday relationship with Jesus on their level.

What makes KidSpring unique?

Each KidSpring series offers a fun theme that carries the Bible teaching through nursery, preschool, and elementary. This allows our environments to be cohesively decorated and completely refreshed with each new series!

Why KidSpring?

Another unique aspect of KidSpring curriculum is that our weekly teaching points and series memory verses are similar across all age groups making it easier for families to discuss at home.

What is the curriculum process?

The team that creates KidSpring curriculum consists of 10 people who write, produce, film, and edit all the materials we use in our ministry and give away on NewSpring Network and Life Church's Open Network.
